# FORCE 80 PLUS

You are proud of your home, and you want to present it in the best possible way. The Joxim Digital Voltage Stabilizer presents a broad range of products that are reliable, sensible and performance driven.

# SPECIALLY DESIGNED FOR FRIDGE & LED T.V

Turn the safety up and turn the maintenance down.  
Because your home appliances are precious and  
we understand your needs.

## OVERALL PROTECTION & TECHNOLOGY INSIDE.

- Cooper Wiring
- Over Heat Protection
- Microprocessor Technology
- Multi Funtional Display
- High Low Cut
- Electronics Overload Trip

Model	Capacity	Range
FORCE 80 PLUS	0.5 KVA (FRIDGE UPTO 310 LTR)	90-280 VOLT

# D LITE SERIES

AIR CONDITION

Smart combination of premium material and sophisticated design. Ignite to bring you the best solution as your ideal choice for your intelligent appliance as well as your home.

# JOXIM DELIVERS SUPERIOR VALUE FOR MONEY, BY USING ADVANCED TECHNOLOGY

## OVERALL PROTECTION & TECHNOLOGY INSIDE.

- Cooler Wiring
- Smart Delay
- Over Heat Protection
- Microprocessor Technology
- Multi Funtional Display
- High Low Cut
- Electronics Overload Trip

Model	Capacity	Range
D LITE AC 90	4 KVA (UPTO 1.5 TON)	90-280 VOLT
D LITE AC 120	4 KVA (UPTO 1.5 TON)	120-280 VOLT
D LITE AC 130	4 KVA (UPTO 1.5 TON)	130-280 VOLT

Chose from a wide range products for different applications with features to suit

# UNIQUE 50

TABLE TOP

Good looks are nothing without character which is the way we offer brilliant technology

# RELIABLE SOLUTION FOR LOW VOLTAGE

## OVERALL PROTECTION & TECHNOLOGY INSIDE.

- Cooler Wiring
- Smart Delay
- Over Heat Protection
- Microprocessor Technology
- Multi Funtional Display
- High Low Cut
- Electronics Overload Trip
- Reverse Countdown Timer

Model	Capacity	Range
UNIQUE 50	5 KVA	50-280 VOLT

# D LITE ML 500

MAIN LINE

You are proud of your home, and you want to present it in the best possible way. The Joxim Digital Voltage Stabilizer presents a broad range of products that are reliable, sensible and performance driven.
